CONTRIBUTIONS DRAFT TEMPLATE, NOT VERIFIED EVIDENCE

Project: AgriSoko Pocket G13. Group G13. Prepared 2026-10-23.
No assessed issues, substantial member PRs or meaningful peer reviews were verified. The local repository initially had no commits or remote. AI-assisted edits must not be attributed to other members.

For each member complete these fields with actual evidence:
- Assessed issue URL and accepted scope.
- Substantial PR URL, authored commit IDs and precise implementation explanation.
- Peer review URL, specific findings and resulting changes.
- Tests personally run, device/build details and actual results.
- Oral explanation/demonstration date and assessed contribution.

NZAYISENGA Erneste (25/27341; nzerneste250): pending actual collaboration evidence.
INEZA Benitha: registration/GitHub and actual collaboration evidence pending.
MANZI Cedrick: registration/GitHub and actual collaboration evidence pending.
KIRENGA Alain Thierry: registration/GitHub and actual collaboration evidence pending.

The proposed work split is in docs/COLLABORATION_PLAN.md. It records plans, not completed individual contributions. No signatures have been generated.
