FEEDBACK DRAFT TEMPLATE, NO TESTER FEEDBACK COLLECTED

Project: AgriSoko Pocket G13 / Group G13.

For each actual tester record:
- Consent to record feedback; name or agreed anonymous identifier.
- Date, device model, Android version and APK fingerprint.
- Tasks actually attempted.
- Verbatim feedback supplied by the tester, clearly distinguished from analysis.
- Observed issue and severity.
- Follow-up change, commit and retest outcome.

Current verified feedback count: zero. No quotations, satisfaction scores, signatures or outcome improvements are asserted.

Collect feedback only after a real installable build is tested. Preserve privacy and obtain agreement before including personal details in submission evidence.
